We hope that our Eunosians and their families managed to get some well-deserved rest during the mid-year break and continue to stay safe and healthy.

Safety Matters

As we welcome your child/ward back to school for a second semester of rich and joyful learning, we will continue to put their safety as the first priority. Hence, we seek the cooperation from parents in the following measures:

- 1) If your child is sick (has flu-like symptoms or fever) please keep your child at home. Your child should see a doctor and remain at home for the entire duration of the medical leave. Please inform the school should he/she test positive for Covid-19 (ART or PCR). They should return to school once they test negative (ie after 72 hours or after 7 days) We will continue to support your child in his learning during the period of absence.
- 2) In addition, if any household member is Covid positive, please inform the Form Teacher and ensure that your child takes an ART and tests negative before coming to school.
- 3) It is **compulsory** for your child to wear a mask (preferably a high filtration surgical mask) during the period in school. The mask can only be removed while having their food breaks or during PE lessons. Parents are strongly encouraged to pack extra masks in a Ziploc bag in your child's bag. Please help us to remind your child that they should not be talking when not wearing their masks.
- 4) The wipe-down routine will continue and we will also continue reminding our students to be socially responsible ie wash their hands regularly with soap and practise good hygiene
- 5) Students reporting to school are to proceed directly to their classrooms or hall/parade square for assembly when they arrive and they should be in school by 7.30 am.
- 6) Parents driving in to pick up your child can only drive in after 2.00 pm (Mon-Thurs) and 1.30 pm (Friday) after the school buses have left. Please comply with the instructions from the guards and remain in your car while waiting for your child.
- 7) Parents picking up their child from Student Care Centre (SCC) to observe the instructions from SCC. Parents will have to wait for your child outside the school gate.

Temperature Taking

With the relaxation of the SMMs during this COVID-19 situation, the school will be only conducting the daily temperature-taking regime during the **first week of school**. Students from all levels are to ensure that their ODTs are in working order and bring them to school for the first week. Replacements can be purchased from the school bookshop at \$4.50.
